Commercial Sign 96 x 144 in - Artwork Template

Trim size: 96 x 144 in (width x height)

Full file with bleed: 96.25 x 144.25 in

Black line = trim edge. Red-tinted area outside it = 0.125 in bleed: extend backgrounds to the page edge.

Green dashed line = suggested safe area, 1 in inside trim: keep text and logos inside it.

This size is produced in multiple sheets; keep key text away from panel joins.

Guide lines and the watermark are for reference only. Do not include them in your final artwork. Use CMYK, 150 DPI.
