COMMERCIAL SIGNS

Finished size: 96" x 96"

Artwork canvas with bleed: 96.25" x 96.25"

Finished sign is supplied in 2 sheets. Build artwork at the full assembled size.

SAFE AREA

Keep logos, text, and other important content at least 0.5 inch inside the red trim line. The green rectangle marks this area.

FINISHED EDGE

The red line marks the finished size. Allow up to 0.125 inch cutting tolerance. Avoid thin borders that could look uneven after trimming.

BLEED EDGE

Extend background colours and images to the blue page edge. The canvas includes 0.125 inch bleed beyond the finished edge on every side.

IMPORTANT: REMOVE ALL GUIDE LINES AND INSTRUCTIONS BEFORE PRINTING

Submit print-ready artwork with fonts outlined or embedded.
