Custom Rider 32 x 6 in - Artwork Template

Trim size: 32 x 6 in (width x height)

Full file with bleed: 32.25 x 6.25 in

Black line = trim edge. Red-tinted area outside it = 0.125 in bleed: extend backgrounds to the page edge.

Green dashed line = suggested safe area, 0.5 in inside trim: keep text and logos inside it.

Guide lines and the watermark are for reference only. Do not include them in your final artwork. Use CMYK, 150 DPI.
