For Sale Sign 36 x 48 in - Artwork Template

Trim size: 36 x 48 in (width x height)

Full file with bleed: 36.25 x 48.25 in

Black line = trim edge. Red-tinted area outside it = 0.125 in bleed: extend backgrounds to the page edge.

Green dashed line = suggested safe area, 1 in inside trim: keep text and logos inside it.

If you order grommets, keep about 1 in of border clear: they punch about 1 in in from the edges.

Guide lines are for reference only. Do not include them in your final artwork. Use CMYK, 150 DPI.
